## Mens wear meets wo- mens wear....

### The New Trench

Working from the bottom  
up to the top, wrap hair  
with sections of hair around  
a one-and-a-half-inch curling  
iron held vertically. Wrap  
each section in alternating  
directions and leave the  
ends out. "This makes it look  
a little more undone—just  
for class," explains Duffie.  
When you reach the top  
layer at the crown, flip the  
curling iron and wrap the  
sections around it horizon-  
tally. This method produces  
a wave rather than a curl, to  
complete the effortless feel.
