KARL LAGERFELD once said, "One is never over or under-dressed with a little black dress". This quote remains true even now in today's fashion society thanks to Coco Chanel, who made the "LBD" one of the most notorious fashion statements known to man. The beauty of the black dress is that you can either dress it up or down according to occasion, while still looking classy and chic with the simplicity of the color black. We are going to show you some different ways to utilize the "LBD" so that you can wear this elegant fashion piece day and night throughout your everyday life.
